P.M.

My dear Sam.

Inc. days of 15th h-
day just after Borrell had left
me after an hours talk we
which, between us, we reached
the subject of purchase of his interest
but nothing definite was concluded
He met at the office he expecting
to find you there at this hour
you had "gone in" - and not ex-
pecting to see me. He said
that you had been appointed
a delegate to Mines Convention
that he was here on that busi-
ness and that he expected

Judge Goodwin on same.
As you spoke of possability of
yr. going to Quincy this week
I immediately telegraphed you.
I am glad that you got to
the Mine safely and found
Geo. in such good trim and hav-
ing dealt Jedco well. Is also
that the weather is so favor-
able: also that you did not
go down that night to mail
the letter. It came in good time
Do look out for that cough &
try and get rid of it altogeth-
er. I expect to get my dis-
charge from Dr Davis to morrow
and have taken my sleepers for 21st
just one month exactly here.
I will not close the Journal
to morrow a.m. & may know more
